

WEBINAR SUPERVISOR TRAINING 2020

Thursday, May 28th, 9-11:15 am

REGISTRATION AVAILABLE ONLINE

The Supervisor Training/Reasonable Suspicion is a required DOT Drug and Alcohol Training (49 CFR Part 40) mandated by FMCSA, FAA, FTA, FRA, USCG, and PHMSA. This specific training is also highly recommended for all NON-DOT managers and supervisors.

Why do I need to take this course?

This course meets and exceeds the federal requirements of 49 CFR Part 40 with the following training:

- 60 minutes of controlled substance abuse training
- 60 minutes of alcohol misuse training
- 30-60 minutes of reasonable suspicion training, Q & A, and regulation updates.

Each attendee will walk away with knowledge of drug & alcohol use as well as booklets with information from the course to be used later as a reference. Of course, ITI and its personnel are always available to assist and answer questions even after you have completed this course.

Registering online
